For the above students, there are two options:-

- Re-admission:** To register for the re-admission either for one semester or both semester with the junior students. In such a case the sessional marks will be re-evaluated and submitted based on their performance in the semester after re-admission.
- Ex-studentship:** They can opt for the ex-studentship. In this case, they need to deposit the semester examination fee and appear in the examination they were failed. These examinations will be the regular end semester examination with the junior/next batch students. No-revaluation of the sessional marks in this case. The sessional marks will be same as submitted earlier.

**NOTE:** B. Tech. III Semester (EE and CE branch) list is tentative and will be finalized after declaration of B. Tech. II Semester Examination June 2017 result.
